COLLEGE OF SOCIAL & BEHAVIORAL SCIENCES
SCHOOL OF GEOGRAPHY & DEVELOPMENT

**Geographic Information
Systems Technology**

The GIST Programs offers in-person and online degrees at the bachelor's, master's, and graduate certificate levels. Our programs are classified as STEM degrees (Science, Technology, Engineering and Mathematics) and integrate GIScience, cutting-edge GISystems, and geospatial technology with management and problem-solving skills, to prepare you to use GIS in a variety of business, government, non-profit, and academic settings.

IN-PERSON MS-GIST

The in-person MS-GIST degree is offered weekday evenings, to accommodate the busy professional. This 18 month accelerated program starts in January.

ONLINE MS-GIST

The online MS-GIST is an accelerated 18 month, 30 credit-hour program. Our interactive learning elements, online discussions, and other enhanced student services ensure a vibrant and highly successful learning community. Students can enroll for the Spring (January) and Fall (August) semesters.

ONLINE PROFESSIONAL CERTIFICATE IN GIST

The post baccalaureate certificate is a graduate 9 credit-hour program that is taken online or in-person. Students completing the PGIST certificate can transfer all credits earned towards the MS-GIST degree.

WHY OUR PROGRAMS?

- UA's GIST graduate programs is one of the lowest priced at a top-ranked U.S. Research University.
- No GRE is required.
- Our GIST graduates have a high success rate finding jobs with prestigious companies that include Esri, Apple, Microsoft, Northrop-Grumman, and TEP.
- Our students work in a wide variety of fields such as environmental conservation, energy, local government, and policy.

According to the U.S. Department of Labor's Bureau of Labor Statistics (BLS), jobs in the field of cartography and photogrammetry are expected to grow by approximately 29% between 2014 and 2024.
